## CPL ARE PART OF THE KLUBB GROUP. WE ARE ALSO UK DEALERS FOR PALFINGER PLATFORMS, ALMACRAWLER AND DINOLIFT

### KLUBB GROUP

*CPL are part of the market leading Klubb Group, the largest manufacturer of Access Platforms in Europe. They are most famous for their van mounted booms. CPL became part of the group in 2018 and have since sold over 1000 van mounted platforms that have been designed for the UK market.*

### PALFINGER PLATFORMS

*Palfinger Platforms are Truck & Chassis mounted platform manufacturers. CPL offer booms from 20-90m from the Austrian market leaders within the UK.*

### ALMACRAWLER

*AlmaCrawler are an Italian manufacturer of Tracked platforms. CPL offer their range of Scissor, Spider, Self Propelled platforms and their material handling cranes within the UK.*

### DINOLIFT

*Dinolift are a Finnish manufacturer of Trailer mounted, Spider and Self propelled platforms. CPL offer their high quality product within the UK.*

### CUSTOMER SUPPORT

*CPL's Customer Support is a dedicated service for LOLER, Maintenance and repair of all Access equipment in the UK. With over 50 years combined experience, our engineers are trained on all platforms including: CPL, Palfinger, AmaCrawler, Dinolift, Versalift, Genie, Terex, Oil & Steel and many more. We have a large network of subcontracted engineers across the whole of Great Britain, who have been trained on our conversions.*

*We offer next day delivery on stocked spare parts for a large range of platform manufacturers.*

*CPL offer bespoke contracts to support the in life care of your conversions.*

*Contact us to discuss your requirements.*
